Lastly, I am asking students to bring in a *Summer Souvenir* on the first day of school. What is a *Summer Souvenir*? It's something you already have that brings back a happy memory of the summer. We'll show and explain the stories behind our *summer souvenirs*, so be sure to bring something you'll enjoy sharing. Wonderful *summer souvenirs* may include beach pebbles or shells, postcards, ticket stubs from amusement parks, friendship bracelets, a picture, the possibilities are endless. Please remember a *summer souvenir* is not something you go out and buy. Rather it is something you already have from your summer. It's an item that helps others get to know you a little better because it shows what you are like, are curious about, or feel is important.
